\*Terms and Conditions Apply. Your friend needs to be a new patient to Dragon Smiles and start new patient treatment plan. One offer per family and/or family member only please.

**Voytek Bobak D.M.D., M.S.**

Our office is designed to make your orthodontic treatment a convenient and enjoyable experience. Beginning with your initial contact with us, throughout treatment and in your post-treatment retainer years, we strive to develop a long-lasting pleasant relationship

with you. Orthodontic specialist Dr. Bobak personally diagnoses each individual case in order to ensure the best treatment plan options available. We utilize state-of-the-art digital radiography and sterilization techniques.
